BIBLE STUDY OUTLINE

TOPIC: LIVING THE WORD OF GOD

MAIN TEXT: James 1:23-25

INTRODUCTION

If the Word OF God is received it will work itself out into actions. It is never sufficient to simply hear or read the Word of God; we must take it into heart and do what it says. Simply hearing a good sermon or Bible study will not make you grow and receive God's best blessings. The Word of God must be accepted and then put into action. It is in the doing of God's Word that spiritual growth and the blessings of God come. Too many Christians mark their Bibles but their Bibles never mark them! God wants His people to put His Word into action.

QUESTIONS FOR DISCUSSIONS

2. What are some of the benefits of doing what the word says? Ja1:25, Jos1:8, Luke 6:46-49, John 14:21
3. How can we accurately apply the word of God in our lives? 2Tim 2:15, Jos 1:8, Deu 11:18, Psalm 119:11
4. What role does the Holy Spirit play in us doing what the word of God says? Eze 36:26-27, Phil 2:13

2. How can you improve the application of the word of God in your life?

CONCLUSIONS

The word of the Lord is like a mirror that reveals to us every thought and intention of our heart. It shows us our ugly, pride, shortcoming and confronts our contempt for others. However, this is to help us fix these flaws with the help of the Holy Spirit and also become epistles for the unbelievers so that they can come to the saving knowledge of Christ Jesus.
